The diagram illustrates a dependency chain between three header files. At the bottom is a box containing 'blackcat/neural_networks.h'. A blue arrow points upwards from this box to a middle box containing 'blackcat/neural_networks/neural_networks.h'. Another blue arrow points upwards from the middle box to a top box containing 'blackcat/neural_networks/layers/flatten.h'. The top box has a light gray background, while the other two are white.
